**METROPOLITAN NASHVILLE

Plaintiff,

v.

COLONIAL PIPELINE COMPANY,

Defendants.

Case No. 3:20-CV-00809

**Judge William L. Campbell, Jr.
Magistrate Judge Alistair E. Newbern**

**JOINT STATUS REPORT ON SETTLEMENT AND MOTION TO FURTHER HOLD
DEADLINES IN ABEYANCE**

Colonial Pipeline Company, Metropolitan Nashville Airport Authority, and AECOM Technical Services, Inc., jointly submit this Status Report on Settlement and Motion to Further Hold Deadlines in Abeyance.

The parties have been diligently involved in negotiating and drafting a final settlement agreement. The parties anticipate filing Joint Stipulations of Dismissal of the Line Strike Lawsuit and Relocation Lawsuit immediately after: (1) the settlement agreement has been fully negotiated and executed by the parties and the Tennessee Department of Transportation (“TDOT”); (2) a

related Consent Order by the Tennessee Department of Environment and Conservation has become final and enforceable; and (3) Colonial and TDOT have executed a utility relocation contract. While the parties seek to consummate the settlement as soon as possible, all of these actions require review and approval by multiple state agencies and officials outside of the parties' control, as well as internal review and approvals.

The parties respectfully request that rulings on all pending motions and all deadlines in the above-referenced matters continue to be held in abeyance through the effective date of the settlement agreement, at which time the parties will submit the necessary filings to dismiss these cases. The parties further request this Court schedule a status conference on or about December 15, 2021, at which the parties will report on progress toward finalization of the settlement documentation.

Respectfully submitted, this 2nd day of December, 2021.
